

REAL ESTATE FINANCIAL MODELING CONSULTANTS PROFILE BOOK

INSTRUCTIONS

1. This resource is provided to you and the individuals herein by www.AdventuresinCRE.com free of charge
2. Review the profiles of professionals included herein
3. Identify one or more individuals you'd like to contact about taking on your consulting project
4. Contact those individuals via email or LinkedIn using the contact information provided herein
5. Share the specifics of your project and request a quote
6. Negotiate a rate and then formally engage the consultant to complete the project

By proceeding, you agree to the follow terms:

Adventures in CRE provides this resource as a free service to you and to the individuals herein . It does not earn a referral fee nor commission, and is not party to any agreement that you may make with any individual named herein.

We are not responsible or liable for any work, nor do we participate in any work, produced by individuals within this document . Although all individuals herein have completed the A.CRE real estate financial modeling Accelerator and have represented to us to have experience in this field, we have not independently verified their claims.

You understand that we do not manage, control, or have any legal relationship with the individuals herein. You agree that any consulting agreement you make with any of the individuals herein you make AT YOUR SOLE RISK AND THAT ADVENTURES IN CRE PROVIDES THIS RESOURCE TO YOU WITHOUT WARRANTIES OF ANY KIND BY US, EXPRESSED, IMPLIED OR OTHERWISE. UNDER NO CIRCUMSTANCES ARE WE LIABLE FOR ANY DAMAGES ARISING FROM THE AGREEMENT OR RELATIONSHIP BETWEEN YOU AND THE INDIVIDUALS HEREIN OR FOR THE WORK PRODUCT CREATED BY THE INDIVIDUALS HEREIN.

A.CRE ACCELERATOR GRADUATE - CONTRACT ANALYST PROFILE

GENERAL AND CONTACT INFORMATION

Name: **Zach Williams** Years in Commercial Real Estate: **3 Years**
 Date of Accelerator Completion: **16-Apr-20**
 Email Address: zachwi1@comcast.net
 LinkedIn Profile: <https://www.linkedin.com/in/zachwi1/>
 Undergraduate degree name/date (if applicable): **BS - Business/Finance, University of Oregon / March 2017**
 Graduate degree name/date (if applicable): **N/A**

Brief Description about you:

Zach is a real estate acquisitions professional with a focus on multifamily investments. Zach currently works as an Investment Associate for Pacific Urban Residential assisting with all activities related to sourcing, underwriting, and acquiring apartment communities in the Seattle, Portland, and Denver markets. Since coming on board with Pacific Urban Residential, he has underwritten and evaluated every multifamily sale (20units+; above \$5million) that has occurred in his assigned markets. Zach will put together a detailed and accurate analysis on any project whether it be a 1-4 unit acquisition or a 300 unit value add investment requiring a rent penetration analysis, full capital budget, turnover schedule, and sales/rent comps.

Graduate degree name/date (if applicable): **[Graduate degree name / date]**

Brief Description about you:

Hello, my name is Jameson Pedersen and I am currently working as an industrial acquisitions associate based in Dallas, TX. My previous experience in commercial real estate was performing underwriting duties for a master planned community developer in the Pacific Northwest. I underwrote raw land development, single family housing, multifamily, senior housing, and some retail/mixed use projects. Upon moving to Dallas, TX last year (2019), I landed a job with a hotelier doing hotel development underwriting and analysis in key primary and secondary MSAs throughout the Southeast and Midwest.

Brief Description about you:

I have worked in commercial real estate for the majority of my career (12+ years). I have spent the bulk of this time working in the multifamily space, with a particular focus on affordable housing renovation and development. I am currently working on value-add multifamily, residential/mixed-use new construction apartments and condo projects. Thus far in my career, I have worked on the acquisition and renovation of more than 2,500 units of housing.

Graduate degree name/date (if applicable):

--

Brief Description about you:

I am a graduate of the Real Estate program at the University of Wisconsin - Madison. I am based in DFW and am currently an analyst with CBRE's Multifamily Institutional Properties Group where I have underwritten over 200 properties in excess of \$10 Billion. I had 3 internships in Office (tenant rep, landlord rep, and on the principal side). I specialize in Multifamily but will underwrite all asset classes and love a challenge! I have access to CBRE's network and can dig up sale comps, rent comps and market analyses.

Undergraduate degree name/date (if applicable): **multidisciplinary Science (Communications & Business Mgmt Focus) /2004**
 Graduate degree name/date (if applicable): **N/A**

Brief Description about you:

****Professionally:** *Spent 15 years overseeing operations of multifamily throughout the southeast. Product types varying from student housing to lease-up to value-add to tax credit (through receivership). Moved to the investment side of the business in 2015 wanting to be more involved on the deal side and deal mechanics, currently working on investment sales. Highly focused on multifamily acquisitions/dispositions and helping developers find land opportunities. In my spare time, professionally speaking- I enjoy learning how to be more proficient in my real estate modeling skills as I am always looking to improve on my knowledge and better myself. I am high energy, very personable, and able to communicate effectively with both investment clients, management, as well as various intermediaries.*

****Personally:** *Enjoy spending time outside, attending concerts/sporting events, and spending time with my wife and two little girls.*

Graduate degree name/date (if applicable): [New York University - MS in Real Estate Finance & Investments - 2021](#)

Brief Description about you:

I pivoted from the Sports Management industry in 2018 into Commercial Real Estate Brokerage at Marcus & Millichap. While at M&M, I listed over \$25 million in less than a year and a half. I recently left in January to focus 100% of my efforts on transitioning to the ownership side of the business, as well as pursuing my Masters degree in Real Estate Finance at NYU. Since I left in January, I have completed the A.CRE Accelerator program, and I'm nearing my certificate in ARGUS Enterprise. I also plan on completing all 3 levels in REFM for their Excel certifications. I've devoted almost every day over the past couple of months building on the foundation of underwriting experience I received while at Marcus. I am eager and hungry to take on more challenges as I navigate this process of transitioning from middle-market brokerage to the institutional owner/lender.

GENERAL AND CONTACT INFORMATION

Name: JP de Bruin Years in Commercial Real Estate: 8 Years
 Date of Accelerator Completion: 8-May-18
 Email Address: jp@reinvest.com
 LinkedIn Profile: <https://www.linkedin.com/in/jpdebruin9102/>

Undergraduate degree name/date (if applicable): BSc Real Estate, University of Pretoria, 2014
 Graduate degree name/date (if applicable): * BSc Hons Real Estate, University of Pretoria (Completing 2020 part time)

Brief Description about you:

I am a level-headed and ambitious pursuant of anything commercial real estate. I love learning and have an insatiable desire to learn from other peoples who've done it before. I am an avid golfer, although my handicap probably won't reflect the same :P.
 I started my CRE career as an appraiser and after 2,5 years I moved into capital raising position and more business development. Spending three years with a international investment firm, mainly raising equity in South Africa to do acquisitions in the US, I moved over to a young and modern real estate brokerage in Gauteng, South Africa, hungry for more deal front experience. I have since advise on many deal structures/restructuring and also built portfolio models for the launch of a new fund with multiple scenario stress testing variable included.

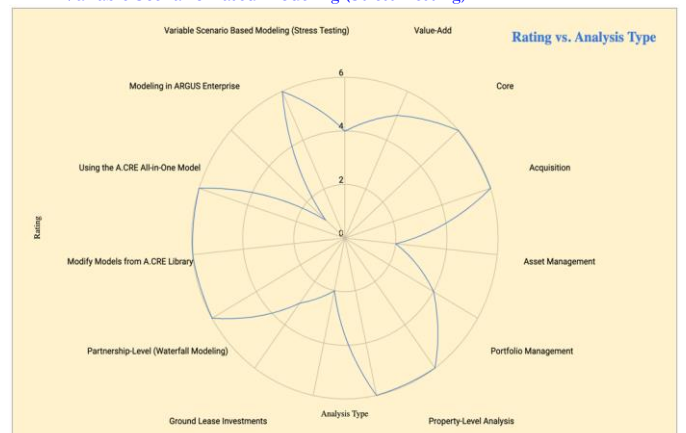

High level Summary of some of the Projects/Models Built outside Accelerator Courses:

- * **Office Development Modeling (100 Bishops Gate, London)** - added support for tenants with different lease types, calculate returns to both equity and mezzanine investors build a mixed IRR/multiple-based waterfall schedule
- * **Hotel Acquisition & Renovation** - assumptions for different market and operational scenarios, including Base, Upside, and Downside cases and Independent vs. Franchise cases
- * **Multifamily Acquisition & Credit Anlysis** - multifamily acquisition and credit analysis model and make an investment recommendation on the Senior Loan, Mezzanine, or Preferred Equity used to fund the property.
- * **Office/Retail Acquisition & Renovation** - build an acquisition and renovation model for a mixed-use office/retail property and make investment recommendations for the Limited Partners, General Partners, Senior Lenders, and Mezzanine Investor
- * **Pre-Sold Condo Development (Heritage Cyrela, Sao Paulo, Brazil)** - build a condo development model for the Heritage Cyrela, a super-high-end luxury complex in São Paulo to make investment recommendations for the Limited Partners and Developers and identify the key risk factors in the deal

Undergraduate degree name/date (if applicable): **Bachelor of Science- Economics- 2014**
 Graduate degree name/date (if applicable): **Master of Business Administration- Expected Fall 2022**

Brief Description about you:

Hello, my name is Nick Orthmann. I'm a real estate professional with over 6 years of experience. I began my career with a brief stint in valuation before transitioning into an Analyst role at a development firm in the midwest. My current role is now Development Project Manager however I oversee financial analysis of my firm's entire pipeline of projects. I have extensive experience in housing development including market rate rental, for sale condominium, single-family land development and LIHTC. I have also modeled acquisitions and value-add deals across most property types. I've completed financial models for deals that range from very straight forward to those with very unique structures and would be happy to discuss your needs to determine if I can be a fit in helping you meet your objectives

Date of Accelerator Completion: 26-Jul-19

Email Address: kl932@cornell.edu
LinkedIn Profile: <https://www.linkedin.com/in/joshuakoonlau/>

Undergraduate degree name/date (if applicable): Bachelors of Applied Science (Civil Engineering) / Jun 2015
Graduate degree name/date (if applicable): Masters in Real Estate / May 2021

Brief Description about you:

I've always been interested in buildings from a very young age, and decided to first pursue an education in civil engineering to understand the built environment. Soon after, I decided I wanted to face decisions as an investor in real estate, and chose to pursue my masters in real estate. Prior to enrolling in my masters at Cornell, I wanted to strengthen my excel modelling skills with Spencer and Michael's accelerator program. The modelling program has been hugely beneficial to my understanding of real estate, and shortly after graduation, I am seeking a job where most of the role would be in underwriting deals.

 LinkedIn Profile: <https://www.linkedin.com/in/terrykipp/>
 Undergraduate degree name/date (if applicable): Seton Hall University; Bsc Finance / 2014
 Graduate degree name/date (if applicable): N/A

Brief Description about you:

I'm a seasoned analyst with institutional underwriting experience at Prudential Real Estate Investors, J.P. Morgan's Global Real Assets, and Pacolet Milliken Entrprises. During my career, I've had the pleasure to underwrite over \$6 billion in real estate opportunities that led to the successful closing of over \$1 billion of transactions in Multifamily, Office, Retail, and Industrial assets throughout the United States.
